OSPI Priorities:
Improving Outcomes for Students with Disabilities

Leadership
Support students with disabilities (including increased collaboration and ownership of school administrators and staff) and coordinated efforts with community organizations to improve results and reduce disproportionality.

Growth Mindset
Increased expectations of students with disabilities (e.g., standards, instruction, graduation, assessments, attendance, IEP-related Decisions, and post-school outcomes).

Evidence-Based Practices
Instruction and interventions within an MTSS framework and inclusionary practices leading to increased access and progress in Washington grade-level learning standards.

Professional Development
Joint training for general educators, special educators, paraeducators, administrators, and parents/families (e.g., IEP team members).

Resource Allocation
Braided funding, consolidated grant application, reducing costs for administrative tasks, increasing direct support to students, and data-based decision making.

Recruitment & Retention
Preparation programs for administrators, general educators, special educators, related service providers, and paraeducators focused around instruction and support for students with disabilities.
