Dear Colleagues,

The Superintendent Component meeting at the WSSDA Conference in Bellevue was attended by over 150 superintendents this year. Superintendents received updates on the WASA Inclusionary Practices project, the OSPI Staffing Enrichment Workgroup process and recommendations, and collective bargaining. The PowerPoint slide decks for the Inclusionary Practices project and the Staffing Enrichment Workgroup can be found on the WASA website under Conference Resources. The slide deck for the collective bargaining update can be found under Budget and Bargaining Communications Resources—(WASA Members Only).

Speaking of communications, please be reminded of the Communications Toolkit, which includes a calendar of opportunities and prompts for the winter months. I encourage you to take a quick look at the calendar, as it includes a number of ideas you may want to consider in your communications efforts over the next few months.

Best Regards,

Joel

INCLUSIONARY PRACTICES PROJECT

Applications are now being accepted for WASA’s project, Inclusionary Practices: Statewide Support for District Change, which will provide professional learning and support to assist districts as they move to more fully inclusive learning environments for students with disabilities. SIRS SURVEY

SIRS annually compiles and publishes a salary-and-benefits report of Washington’s school employees in three parts: 1) administrators, 2) classified personnel, and 3) teachers. SIRS is introducing, new in 2019–20, an additional longitudinal report presenting Washington State school employee salary information, for the past ten years. The quality of data, through the self-reporting SIRS survey, will help facilitate valuable trend analysis for any district. The longitudinal tool is presented in an easy-to-use Microsoft Excel workbook, and utilizes pivot charts and slicing tools to better visualize trends and comparisons among comparable districts.

The 2019–20 SIRS Salary Survey forms were sent to districts on November 15. The deadline to return surveys is December 16. The final data report will be made available January 10, 2020. All SIRS district members will receive access to the full report. Participating non-member SIRS districts receive a pdf copy.

All districts information is valuable and greatly appreciated.

SEATED LUNCHTIME RULES

Last year, the State Auditor’s Office (SAO) conducted a performance audit to examine lunchtime scheduling practices in elementary schools. Requested by State Superintendent Chris Reykdal, the audit focused on a specific question: “What lunch scheduling practices could schools implement to achieve better student outcomes, such as improved behavior and increased consumption of healthy food?” The final audit was released in August and includes a series of recommendations, including that school districts be required to: (1) implement a minimum of 20 minutes of seat time during lunch for every student; and (2) schedule recess before lunch.

The final audit includes a response from Superintendent Reykdal, which states: “We plan to move forward with the rule process to define a 20-minute seated lunchtime for all students and require recess before lunch for elementary students.” OSPI has now begun the rulemaking process to implement the suggested requirements. Superintendent Reykdal has indicated that amending the appropriate WACs will be a long process, and OSPI will provide ample opportunity for comment, including regional sites for public hearings. WASA is currently reviewing the audit and the suggested rules changes, and we will be involved in the rulemaking process. We encourage administrators to also engage in the process. To assist your participation, WASA will develop guidance in the coming months.

WASA’S 2020 LEGISLATIVE PLATFORM INCLUDES A SERIES OF VERY EXPENSIVE REQUESTS, INCLUDING THE ENHANCEMENT OF SCHOOL STAFFING ALLOCATIONS, EXPECTED TO COST AT LEAST $5 BILLION. IT IS UNREALISTIC TO EXPECT THE 2020 LEGISLATURE TO FULLY IMPLEMENT ALL OF OUR REQUESTS; HOWEVER, ADMINISTRATORS HAVE AN OPPORTUNITY TO EDUCATE LEGISLATORS ABOUT SCHOOL DISTRICT NEEDS AND BUILD MOMENTUM FOR ACTION IN THE 2021 SESSION.

WASA WILL BE ADVOCATING FOR ONE ISSUE THAT WOULD HAVE NO IMPACT ON STATE FUNDING: SPECIFICALLY DEFINING TEACHER DUTIES AND EXPECTATIONS. THROUGH HARD BARGAINING THE LAST TWO YEARS, TEACHERS ACROSS THE STATE HAVE RECEIVED SIGNIFICANT SALARY INCREASES—PROVIDING THEM WITH COMPETITIVE, MARKET-LEVEL SALARIES. EVEN WITH HISTORIC RAISES, LOCAL UNIONS CONTINUE TO BARGAIN FOR ADDITIONAL PAY FOR WORK THAT IS NOT “EXTRA,” BUT A PART OF A TEACHER’S PROFESSIONAL DUTIES. WASA WILL STRONGLY URGE THE LEGISLATURE TO CLEARLY DEFINE THE MINIMUM PROFESSIONAL DUTIES AND EXPECTATIONS FOR TEACHERS, AND NOT LEAVE THIS TO COLLECTIVE BARGAINING.

THE STATUTORY DEFINITION WE SEEK MUST EXPLICITLY STATE THE PROFESSIONAL RESPONSIBILITIES, TIME, AND EFFORT REQUIRED TO PROVIDE THE STATE’S PROGRAM OF BASIC EDUCATION EXCEEDS THE REQUIRED NUMBER OF INSTRUCTIONAL HOURS AND INCLUDES SUCH THINGS AS: PREPARING, PLANNING, AND COORDINATING INSTRUCTION; COLLABORATION WITH OTHER TEACHERS OR STAFF; MEETING WITH PARENTS; AND EVALUATING STUDENT LEARNING. SUPPLEMENTAL CONTRACTS WOULD STILL BE ALLOWED; HOWEVER, ADDITIONAL COMPENSATION WOULD HAVE TO BE TIED TO DEFINED EXTRA TIME OR RESPONSIBILITIES THAT ARE UNIQUELY ASSOCIATED WITH A SPECIFIC ASSIGNMENT ABOVE AND BEYOND THE TASKS OF ALL OTHER TEACHERS.

WASA’s 2020 Legislative Platform includes a series of very expensive requests, including the enhancement of school staffing allocations, expected to cost at least $5 billion. It is unrealistic to expect the 2020 Legislature to fully implement all of our requests; however, administrators have an opportunity to educate legislators about school district needs and build momentum for action in the 2021 Session.

WASA will be advocating for one issue that would have NO impact on State funding: specifically defining teacher duties and expectations. Through hard bargaining the last two years, teachers across the State have received significant salary increases—providing them with competitive, market-level salaries. Even with historic raises, local unions continue to bargain for additional pay for work that is not “extra,” but a part of a teacher’s professional duties. WASA will strongly urge the Legislature to clearly define the minimum professional duties and expectations for teachers, and not leave this to collective bargaining.
