

Online School Board Meeting Management

ECONVENE ONLINE SCHOOL BOARD MEETING SOFTWARE MANAGES SCHOOL BOARD DOCUMENT CREATION, DISTRIBUTION, AND STORAGE IN ONE SECURE LOCATION. CREATE AGENDAS, RECORD MINUTES, AND PUBLISH PUBLIC INFORMATION SIMPLY AND EFFICIENTLY.

Join the dozens of WASA members who have been subscribing to eConvene for years and receive discounted access, conveniently billed through your WASA membership.

Build an agenda that includes attachments, descriptions, and confidential notes. Customize with your district logo, then distribute in one click as a PDF to the board.

Easily transcribe meeting minutes directly into your online agenda, and generate a shareable PDF in the click of a button. Changes are as simple as clicking "Refresh".

Share policies, procedures, and minutes while protecting confidential notes. Customize your site with your logo, links to your homepage, and district policies.

EduPortal Administrative Resources

ECONVENE® EDUPORTAL IS AN ONLINE RESOURCE CENTER THAT GIVES DISTRICT ADMINISTRATORS COMPREHENSIVE ACCESS TO WASHINGTON STATE POLICIES, DATA AND REPORTING IN ONE CONVENIENT LOCATION.

Thanks to the participation of the Educational Service Districts, districts have access to two discounted EduPortal options, easily billed through your WASA membership.

Instant access to searchable RCWs, WACs, critical education decisions and Attorney General opinions, special education laws, regulations, resources, pending legislation and other valuable information.

Post critical operations documents such as board policies, administrative procedures, strategic and technology plans, operation manuals, and handbooks to your own district administrative site.
