Dear:

I'd like to extend my congratulations to you on filing your Declaration of Candidacy for Position (#2 #3 or 5) on the Snoqualmie Valley School District Board of Directors. Your interest in serving our community and the children of the Valley in this manner is commendable.

If you have questions or desire information regarding the district or how the Board works in partnership with the administrative team, please contact Peggy Richter (phone ##) to schedule an appointment with me. While you are undoubtedly familiar with the school district, I would be happy to provide information and/or share my insight on the district and the important role school directors play in their service on the Board.

Also, you might be interested in attending a workshop for Board Member Candidates ...

Again, thank you for taking an interest in serving our community, the school district, and the students who attend our schools. Don't hesitate to contact me if I can provide assistance, clarification, or answer questions that you might have at this time.

Sincerely,

Joel Aune
