Cheney Public Schools

For our children, our community, our world, our future

Our Mission...

Cheney Public Schools exists to guarantee a safe and caring environment where ALL students learn at high levels and graduate with options for post-secondary education, careers, and civic engagement.

Remote Learning

- District Technology Needs
- Cheney Remote Teaching Training – ESD
- Creating a plan for staff training/support this fall...
- What we have heard from parents and students (surveys, feedback).

Must be prepared to “flip the switch”

- Regardless of how we begin the school year...
- If necessary, we must be prepared to move to continuous learning 2.0.

In General...

- Sense of urgency with caution.
- Choices, flexibility, ability to transition quickly.
- Communication, communication, communication...
