[Increasing Access to CTE Courses 2/4 - Identifying Barriers \(20:36\)](#)

- Taking the Leap (0:24-4:50)
- Using Data in this Journey (8:50-10:13)

IPP Presentation Materials

Seminars

Big picture trainings focused on the positive impact CTE and Special Education partnerships have on post-school outcomes for students with disabilities

Workshops

Supplemental trainings designed to facilitate action plan development and inclusion of students with disabilities in general education classrooms

Third Thursday Conversations

Informal conversations to connect with others focused on inclusionary practices, provide technical assistance, and facilitate action plan development
