

Protocol: Reflecting on Alex and Isabelle's Story

As you reflect on the experiences and examples Alex and Isabelle shared today, to what extent do you think the experiences of your students are similar or different?

Similarities

Differences

--	--

Use each of the three sections below to reflect on the experiences Alex and Isabelle shared about some of the barriers to inclusion.

Community and Society:

-
-

School System:

-
-

Others (please identify):

-
-

I wish all of my special education teachers knew or believed...	I wish all of my general education teachers knew or believed...
---	---

How can students, families, and educators in your system work together to share the stories of students with disabilities in support of more inclusive learning environments?
