Wrap Up

Synthesis Activity

Option 1: Turn and Talk

1. What roadblock are you currently problem solving in the AI implementation journey?
2. What resources may you explore to help overcome that roadblock?

Option 2: Resource Exploration

AI in CVSD Document

- Explore and find a resource to share and/or utilize.
bit.ly/AlinCVSD

Option 3: Get Started

Use [Gemini](#) or [ChatGPT](#) to:

- Create an email to school district stakeholders requesting a time to gather and brainstorm next steps.

Option 4: Sidekick

Utilize an AI bot to help you plan your next steps in AI implementation.

1. Navigate to:
bit.ly/sidekickAI
2. Answer the given prompts.

AI Implementation

Questions?

Wrap Up – Lessons Learned

- When planning, consider the information and data you want to collect to share with your board during the AI implementation journey
 - Identify and empower your 'early adopters'
 - Build partnerships
 - Identify what a successful implementation would look like for your district?
-
