EDUCATIONAL EQUITY STATEMENT

WASA believes that Educational Equity, for each and every student, will be attained when barriers are removed throughout the system, ensuring equal access and opportunity for students to achieve successful outcomes. WASA will commit to providing vision, leadership, and support to district leaders as they take action to eradicate gaps that are a result of systemic inequities in our schools.

WASA's **Educational Equity Statement** can be located on our website.

WASA'S DECEMBER EQUITY QUESTIONS

Two ways to ask a similar question:

What data are you analyzing to identify or monitor gaps between student groups?
