

We invite you to...

Listen for what surprises you.

Listen for what is new.

Listen for what is different.

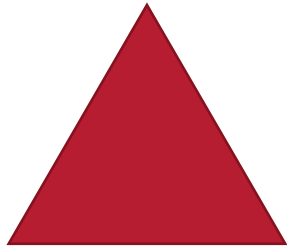

Breakout

I used to think... and now I think...

Consolidating Your Learning

What were the three most important ideas? What three concepts stand out for you the most?

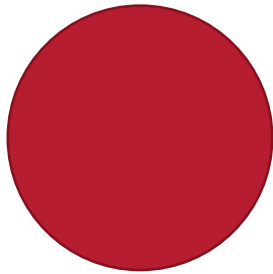

Consolidating Your Learning

What did you learn that 'squares'
with your prior knowledge?

Consolidating Your Learning

What is still circling around in your head?
What questions do you still have?
