

Central Office Analyze Impact Conversation

Reflect on the areas of focus from the previous inquiry cycle.

My leadership goals for this inquiry cycle.	Evidence and impact of change in practice.	What did I learn? What will I do again? What will I not do again?
School leadership goals.	Evidence and impact of change in practice.	What did I learn? What will I do again? What will I not do again?
Instructional practice goals.	Evidence and impact of change in practice.	What did I learn? What will I do again? What will I not do again?
Student growth goals.	Evidence and impact of change on student learning.	What did I learn? What will I do again? What will I not do again?

- How did your leadership moves (green) support schools and principals (blue) and work around instructional problems of practice (purple) to impact student learning problems of practice (orange)?
- How did you integrate and leverage meetings, evaluations, collaborative work, etc. to target our strategic goals?
- What impact did your work have on our ENDS?
- What supports do you need (joint-work, feedback, advocacy, collaboration, training...)?
