

Core Issues with School Funding

- **School Funding website:** www.waschoolfunding.org
 - Useful—and easy to understand—information on the current funding dilemma so many school districts currently face
- **School Funding Toolkit** (or: <https://bit.ly/46yIFFp>)
 - Includes key messages, talking points, sample social media content, graphics, school funding FAQs, and other resources to assist and align our members (and partners) as you engage with your own legislators
